Dingo Baby Butter

Soothing Dingo Baby Butter contains organic Evening Primrose, and pure organic Calendula (Marigold flower) extract blended together in a base of healing organic Sweet Almond oil. Calendula works to soothe

baby's diaper rash and heal minor skin irritations, while Sweet Almond oil and natural beeswax provides a light barrier to help protect. Great for baby's sensitive, dry skin that needs a little extra help.

Shampoo & Baby Wash

Baby Shampoo & Baby Wash cleans baby's skin and hair with naturally derived ingredients to get baby squeaky clean! The light scent of pure Lavender essential oil helps to relax your little one, while leaving behind a delightful fragrance. Perfect for baby and the entire family!

Dingo Baby Face

Ideal for protecting baby's skin from head to toe! Made of moisturizing Shea butter rich in natural vitamin e, our Shea Stick is perfect for smoothing over face, lips, elbows, knees or any rough or patchy area.

Dingo Baby Lotion (91.5% Organic)

Dingo Baby's Lotion provides baby with the moisturizing and soothing care of organic Sunflower oil, organic Cocoa and Shea butters, and Lavender. This lightweight, lightly scented formula is perfect for use any time to calm dry or irritated skin. Does not contain mineral oil, artificial colors or fragrance. Paraben-free.

Dingo Baby Tummy Butter for Mom

Pure, creamy, rich and loaded with Omega 3, 6 & 9 to ensure your skin stays hydrated and has the best fighting chance against stretch marks. With aloe, shea butter, Jojoba oil, & Carrot seed extract. Lightly scented with a pregnancy safe blend of essential oils.

Shampoo by Nature™

Our natural & mild shampoo offers results that rival salon products! With Aloe Vera, wheat protein, vitamin B5, glycerin to add moisturize, vitamin E to help prevent moisture loss, and Comfrey extract to help soothe and prevent further damage.

Color safe and gentle enough to use every day!

Conditioned by Nature™

To a rich base of healing Aloe Vera, we added active fruit extracts of apple, lemon, orange and papaya. Vitamin B5 & rich conditioning herbs work together to leave hair shiny, full and revitalized.

Color safe and gentle enough to use every day!

Shea Body Butter

Shea Butter is intense moisture, helping to retain natural moisture in skin lipids to improve elasticity and combat wrinkles.

Used regularly, your skin will become smoother, softer, and visibly healthier. Excellent for rough dry skin.

Shea Butter Rich Foot Cream

This thick cream is filled with fantastic oils and added tea tree to soften, pamper, and help heal your feet. Shea, cocoa butter and Aloe Vera gel make this cream especially nourishing. Lightly scented with Peppermint and Tea Tree.

Temple Blends

Our new Temple Blends do smell wonderful, but they have a higher purpose! Created in a nourishing and light base of Fractionated Coconut and Jojoba oil, and enriched with a touch of vitamin E, these aromatherapy blends contain natural essential oils blended together to enhance your mood.
