

Maggie Blue™ Dog De-funkifier™

Best Seller!

Sold in Vet clinics and Vet approved, Dog De-funkifier™ is not an odor cover up or a cologne, it actually helps remove odors from your dog's coat using plant extracted essential oils. Dog De-funkifier™ leaves your pal's coat shiny, fresh, and conditioned with added aloe and nourishing oil.

De-funkifier is also ideal for spritzing in any room, directly on your dog's bedding, or to freshen and remove funky pet odors. The True Blue Mate and Lavender Tea Tree scents also acts as a flea repellent.

Our new Dog De-funkifier is aromatherapy for the dogs we love!
