

Dear Store Manager,

I have given you this letter to request that your store carry the Dancing Dingo Skincare line. I shop in your store all the time and it would be wonderful if I could shop locally for these great products.

Dancing Dingo Skincare offers a wide range of natural and earth friendly products for every member of the family, from their line of "Skincare Unleashed" facial care items, Natural Perfumes, Men's Skincare, Botanical Men's Cologne and Dingo Baby® skincare, to their all natural pet care line called Dog De-funkifier®.

A majority of their products are vegan as well as gluten-free. I use Dancing Dingo product not only because they are a great alternative to many unhealthy products on the shelves these days, but because they really do work.

Dancing Dingo is:

- **Leaping Bunny** and **PETA** approved
- Highly rated in the **Skin Deep Database for Cosmetic Safety**
- A **CHAMPION** company listed with **the Compact for Safe Cosmetics**. (Dingo was one of the 322 out of 1500 cosmetics companies ("Champions") who met the goals for Safe Cosmetics)
- Voted a Texas' **Top 30 Eco-Friendly Company**

I would love to purchase their skincare products locally at your store. If you'd like to talk to this company about wholesale pricing they would be happy to get you whatever you need to get acquainted with their line.

Please contact Kathy at kathy@dancingdingo.com and she will assist you.

Where has this conditioner been all my life?! Perfect complement to my Shampoo by Nature. Great for everyday use, and doesn't leave a film on my hair like other conditioners!

- *Sara from New York*

I have used this product for over 4 years now and notice a huge increase in the elasticity, look and feel of my skin. I always suffered from very dry skin and this oil has helped me reclaim my legs and arms; I am now able to wear the no-stockings look and sleeveless dresses without worry. Also wonderful for neck and décolletage area, I see a vast improvement. My highest recommendation for this product!

- *Adrian from California*

This is quite possibly the best smelling, longest lasting cologne I've ever had. Originally purchased for my husband, I've stolen it and made it my new signature scent!

- *Janie from Washington*
